WOMEN CAN HARDLY BELIEVE

How Mrs. Hurley Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Eldon, Mo.—"I was troubled with displacement, inflammation and female weakness. For two years I could not stand on my feet long at a time and I could not walk two blocks without enduring cutting and drawing pains down my right side which increased every month. I have been at that time purple in the face and would walk the floor. I could not lie down or sit still sometimes for a day and a night at a time. I was nervous, and had very little appetite, no ambition, melancholy, and often felt as though I had not a friend in the world. After I had tried most every female remedy without success, my mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and gained in strength every day. I have now no trouble in any way and highly praise your medicine. It advertises itself."—Mrs. S. T. HURLEY, Eldon, Missouri.

Remember, the remedy which did this was Lydia E. Pinkham's Vegetable Compound. For sale everywhere.

It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it? Lydia E. Pinkham Medicine Co., Lynn, Mass.

IT'S TRUE

Mother has had her picture taken rather oftener than father has—but even she hasn't in two years and THAT picture will never do to send to Aunt Jane.

She wears her hair so much more becoming now—and anyway, its high time there was another picture for the family collection.

HAGGINS COMING

Will Open "Green Hills" About April 1 and Remain Here All Summer.

(Lexington Leader.)

Mr. and Mrs. James B. Haggins, of New York, are expected to come to Lexington about April 1, and open their home, Green Hills. They are coming in time for the spring races at the historic Kentucky Association track and will remain all summer and probably during the autumn. This announcement will be received with delight by the many friends of the Haggins in Central Kentucky. It is somewhat unusual for them to remain at Green Hills for more than a week or so in the spring summer, but it is believed that the salubrious country air, together with the charming rural life at Green Hills, will prove of great benefit to Mr. Haggins' health.

Farmers

Have you ever tried our way of borrowing money to pay for a farm? You, of course, know that most farms are sold for one-third cash and the balance of the payment is represented by lien notes due in one and two years. You also know that there are times when it is impossible to pay these notes when they become due.

Our specialty is lending money on good farms for LONG PERIODS. Wouldn't you rather have five years to pay the balance than two years? Any one expecting to buy farms this March will do well to come in and consult us about getting the money.

We have been giving satisfactory service for 24 years.

QUAIL REPORTED ABUNDANT IN OHIO.

(Georgetown (Ohio) News-Democrat.)
Farmers report quail more than usually abundant. One man said that he saw sixty by actual count last Friday; one covey having twenty-six birds in it, and another fifteen. It seems to be the universal desire of farmers everywhere to have the killing of quail made prohibiting for all time, as they are wholly beneficial, in their habit of weed seed and insect destroyers, and cannot possibly become injurious to any crop.

WAR ON TUBERCULOSIS

Bourbon Fiscal Court Appropriates \$450 To Help Cause.

Paris, Ky.—Through the efforts of Miss Emma Hunt, sent here several weeks ago by the State Tuberculosis Association to investigate the conditions in this city and county, an annual appropriation of \$450 was secured from the Fiscal Court to be used in meeting the expense of providing a visiting nurse. The Bourbon county Health and Welfare League was organized two weeks ago by Miss Hunt, who appeared before the league, asking for an appropriation of the amount stated. At the next meeting of the City Council an effort will be made to secure an appropriation from the city, and any additional expense incurred will be met by popular subscription. The league is doing much toward improving health conditions in the city and county. Upward of 300 leading citizens have enrolled as members and joined in the fight against tuberculosis.

ELECTRIC SIGNS!

The distinguishing air of quality which a first-class Electric Sign gives to a store is the element which gives a sign its greatest value as an advertising medium and investment. The impression it makes is good. It blazes forth to the public that there is business enterprise, merchandise and methods up-to-date. It affects the entire atmosphere of the business district. The stranger says, "It is a live town," and publishes it abroad. It is the Sign of the Times.
